MINI TILLER - 310D

DESCRIPTION:

Farmworld 310D Tiller is simplest and Best-selling model among all our tillers. Tiller is powered by 4.9KW Compact Structure Diesel Engine with Automatic Air Bleeding Mechanism and New Oil Pressure relief valve and fuel controller.

Farmworld Tiller is well equipped with the simplest but most reliable handle bar. Tiller could be turned in all directions. Safety switch is also equipped on the handle bar, which could stop the engine in an emergency. It is compatible with agricultural implements for different farming operation like ploughing, ridging, puddling, sowing, weeding and fertilizing.
