- Number of active registered SSI units supplying through OAIC are 34.
- Reducing demands in view of large-scale adoption of machines i.e. self-propelled & tractor driven machines like powertiller, power weeder, axial flow thresher, combine harvester etc.
- Simplification of the modalities on anvil after discussion with the representatives of OAIMA

MAJOR ACTIVITIES FOR FM MELA:

Subsidy provided through DBT, ensuring full transparency.

Stall booking by contacting respective District CDAOs/EEs.

Display of machinery and implements with adequate stock for delivery.

Distribution of leaflets and brochures in Odia as part of awareness and PR campaign.

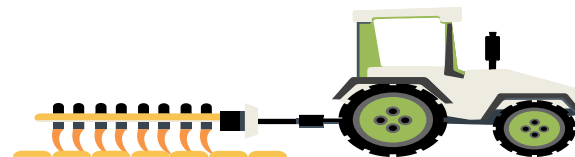

Visual demonstrations of the operations of implements & machinery using LCDs.

Engaging IT savvy resources for supply management including spot booking, permit generation, and payment processing etc.

On-the-spot supply of subsidized agricultural machines and implements.

NEW INTERVENTIONS POST LAST MANUFACTURERS MEET

Introduction of e-Rupi for machines having subsidy value less than 0.50 lakh for ease of upfront payment .

SUIC (w.e.f. 1st April 2025) Mandatory for farm machinery in Odisha to ensure unique identification, traceability, and transparency in distribution.

FRA Patta Holders
90% Subsidy on Farm Machinery (DBT) .

Online SLTC approval process (from application to on-boarding) for new machines.

Manufacturer Status Page
Real-time status of manufacturers covering on boarding, approvals, dealer list, and CTR validity — all in one place.

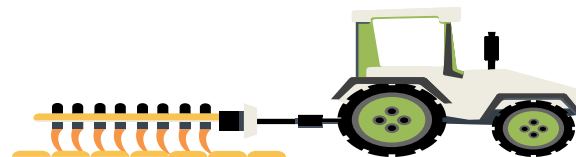

e-Challan Cancellation: Beneficiaries can cancel challans online with OTP validation.

e- revalidation of permits : Dealers can revalidate permits for 15 + 15 days online

Dealer debar
In payment successful, but supply failed cases new permits for such dealer is restricted, till supply of pending cases.

IMPLEMENTATION OF NEW GST (w.e.f. 22nd Sep. 2025):

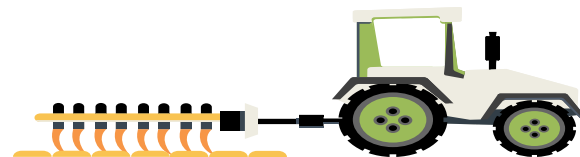

GST Revision :

ROLE OF MANUFACTURERS / DEALERS:

- ❖ Provision of stalls and open space (as required) in the mela on rent (*Rent will be decided by the District Administration*).
- ❖ They will display their implements / machinery, boards, and banners in their respective stalls.
- ❖ One person to be engaged by the manufacturer to facilitate on-spot booking and permit generation (*Necessary laptop and printer are to be arranged*).
- ❖ Manufacturers should ensure to display all their approved models with prepositioning of sufficient stock for on-spot supply.
- ❖ The manufacturers are mandated to participate in the Farm Mechanisation melas as per the Service Level Agreement done with DE, OFMRDC.
- ❖ Review of participation during renewal of SLA.

Contd.....

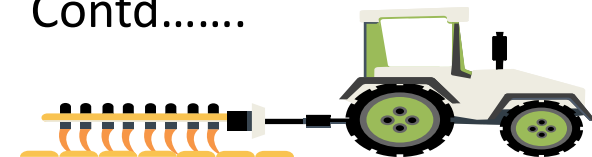

ROLE OF MANUFACTURERS / DEALERS (CONTD...):

- ❖ Manufacturers should mobilize dealers and agents well in advance to select beneficiaries and encourage them to visit the stalls to get the exposure.
- ❖ The chosen beneficiaries need to be encouraged to do transaction well in advance and receive the machineries at the mela itself.
- ❖ In view of the large gatherings of WSHGs and beneficiaries involved in allied activities such as horticulture, veterinary, fisheries, and other departments, it is essential to display information on costs, subsidies, and the process of availing farm machinery.
- ❖ A sufficient number of staff should be available at the venue to provide detailed information.

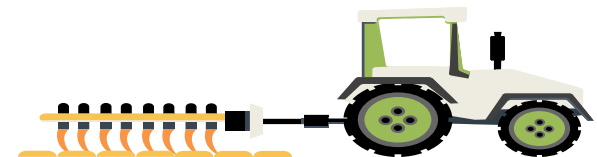

Contd.....

Role of Manufacturers / Dealers (Contd...):

- ❖ Wherever feasible, practical demonstrations of post-harvest/other innovative machinery should be arranged.
- ❖ Camps may be facilitated during the mela for servicing and repair of the machineries sold earlier.
- ❖ Manufacturers should arrange for demonstration in consultation with EE/AEE of the districts for their new machines enlisted in the portal for popularisation.
- ❖ Should facilitate in Post Delivery Inspection (PDI) of supplied machines by departmental engineers as per SLA.

e-RUPI INTEGRATION FOR FARM MACHINERY SUBSIDY ($\leq ₹50,000$)

The Government of Odisha launched the e-RUPI voucher system on 03.03.2025, to support affordability .

e-RUPI features

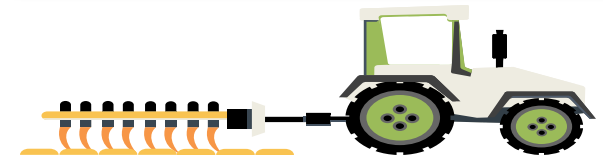

- ❖ A prepaid digital voucher issued to eligible farmers
- ❖ Redeemable only to selected dealer
- ❖ Supply authentication, with delayed settlement of redeemed amount
- ❖ Strengthens traceability and avoid misuse
- ❖ Implements with subsidy amounting upto ₹50,000 are covered

Progress..

- Dealers On boarded: 735 out of 1,076 active dealers
- Vouchers Issued: 4,376 nos. amounting to ₹9.933 Cr
- Vouchers Redeemed: 4,167 nos. amounting to ₹9.356 Cr
- Delayed Settlements Processed: 3,784 nos. amounting to ₹8.334 Cr

Vision

e-Rupi will be scaled up for subsidy amounting to ₹1.00 lakh
